

Looking for a job that allows you to perform professionally while having fun? Stop searching! We have the job for you; but first, let us introduce you to the company.

WHO IS CANADIAN ASPHALT INDUSTRIES?

Canadian Asphalt Industries is part of the Bitumar Group. Bitumar is a privately owned company specializing in the production of liquid bitumen used in asphalt mixtures for road paving and roofing. Our mission is to manufacture, in a safe and environmentally friendly manner, ecological high-quality bitumen products.

In business since 1977, the family business now employs more than 240 people and ensures the production and distribution of its products through its 12 sites located in Quebec, Ontario and on the east coast of the United States.

Bitumar and its employees are guided by values of excellence that express themselves in their daily lives. Health and safety at work, the importance of respect for the environment, results orientation, entrepreneurship, trust and respect, family spirit and teamwork; values that promote a healthy corporate culture.
